<p>■ NEW! "BRS Match Booster®" Our Match Booster® Calculator shows how contributing different percentages of one's monthly base pay (from 0% to 10%) raises the amount matched by the Department of Defense, and therefore the amount one could have in 5, 10 and 20 years. Based on the Blended Retirement System.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ NEW! "Student Loan Smarts™" Shows the true cost of a student loan including interest (assumed 5.05% interest rate on a 10 year federal loan) and gives the borrower incentive to pay it off more quickly by adding a bit more each month to the minimum payment. Shows reduction in payment time and interest saved.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Where to Find the Money You Need" Our Paycheck Power® Booster® Calculator shows how curtailing impulse buying and routine spending on "little things" can result in big savings for important goals. NEW for 2019: If you are personalizing this calculator with name/logo, you may make edits to the prices and or items on the side I "Typical Retail Prices" spending chart at no additional cost.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Dónde encontrar el dinero que necesita" Spanish/English "Where to Find the Money" calculator (see description above). One side is English, the other, Spanish.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Credit Card Smarts™" Reveals the true cost of accumulating credit card debt, paying only the monthly minimum, charging instead of using cash.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Why Save for Retirement?" Our Wise Investor® Retirement Calculator encourages steady, long-term saving, shows the cost of delay.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Why 401(k)?" As above, but 401(k)-specific.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Boost Your Retirement Account!" Our Wise Investor® Retirement Booster® Calculator inspires immediate increases in contribution levels by showing the effect of contributing just 1% more of one's salary.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
<p>■ "Boost Your 401(k) Account!" As above, 401(k) specific.</p>	_____	<input type="checkbox"/>	<input type="checkbox"/>
